Global Business in North Carolina

Quality of life is, to a great extent, defined by economic opportunities.

To prosper in the global market place, we must make a concerted effort both inside and outside of North Carolina to optimize global economic development.

Featured Speaker

Madhu Beriwal

President and CEO, IEM

Madhu Beriwal, has over three and a half decades of experience in disaster and emergency management, homeland security, national defense, and the use of information technology to resolve complex protection issues.
